

## **2009 CVC Ride Schedule**

All Rides are Weather permitting. In the event of bad weather the Ride Leader will cancel by 4pm on CVC Yahoo group site. The leader will meet everyone promptly at the start point and provide maps for all rides. It is expected that due to the growing size and differing skills of the club members that typically two groups will form, one slower and one faster. There will not be sweepers this year so you will need a map should you get dropped.

**The 2009 Schedule will be posted in April**
